My desire to be well
informed is currently at
odds with my desire to
remain sane.

I. OUR MISSION: MEASUREMENT (H. L. A. HART)

- Certainty
- Consistency
- Continuity

I. The Loss of the Three Cs (H. L. A. Hart)

- **Chaos**, not Certainty
- **Contradiction**, not Consistency
- **Convolution**, not Continuity

I. Our U. S. Constitution: A Victim of **Verbicide**

The Problem: **“Verbicide”**—The murder of words and, consequently, of the documents in which they are used.

The Propagator: **The Judiciary**

The Process: **“Define and Destroy”**

The Prescription: **Supplication, education, designation, legislation, and constitutionalization**

I. The Twilight's Threat to Survival

1. Our courts are in chaos.
2. Our Constitution is in crisis.
3. Our culture is in collapse.

I. The Victimhood Culture – Identity Politics

- ✓ Politics Driven by **SELF-IDENTIFICATION**
- ✓ Parties are **VICTIMS** and **AGGRESSORS**
- ✓ Victims Suffer Because of Their Identification with a **RACE, ETHNICITY, SEXUAL ORIENTATION, ETC.**
- ✓ Even “**MICROAGGRESSIONS**” are Serious
- ✓ Victims Rely on **THIRD PARTY RESCUE**
- ✓ Likely Venue – “**ATOMIZED ENVIRONMENT**”
- ✓ Culture – Some Diversity and Inequality, but **MEMBERS ALMOST EQUAL**
